★ PARENT TESTIMONIALS ★

“

“From the very first day everything was in English. My daughter started a little shy and finished camp speaking with much more confidence. The difference was clear.”

María González, parent of 8-year-old

“The teen programme was exactly what my daughter needed. Real life English in practise, exatly what she needed”

Marek Kowalski, parent of 14-year-old

“My daughter already attends LFT during the year, but the Summer Camp exceeded our expectations. It’s much more than games, it’s real communication in English.”

Elena Pérez, parent of 6-year-old

“

“What impressed me most was the organisation and the quality of the teachers. This is not a typical summer camp, it’s a serious English programme delivered creatively.”

Carlos Rodríguez, parent of 10-year-old

“We have tried camps in other countries, but this one combines professionalism with warmth. The immersion is genuine.”

Elena Dimitrova, parent of 13-year-old

”

“My son came home happy every day. He was learning, enjoying himself and, most importantly, singing and saying things in English without fear. That’s what matters to us.”

Lucía Hernández, parent of 5-year-old
